

## Help families breed success.

Undeniably cute, goats provide milk and money. Goats are counted as one of the most valuable things a family can own. People at the projects have no savings. With goats they are not powerless in times of crisis, but can sell one.

Goats eat nearly anything so it isn't difficult to raise them. The Billy goats proved meat or money. The Nannies provide more kids to "Pay it Forward" and provide nutritious milk.

## Family Christmas Bundle

Thankful is what they will be when you send rice, cooking oil, canned fish, beans, powdered milk, sugar, soap, gifts, and much more. This box is what you would be hoping and praying for if you were a mother trying to take care of your family in an impoverished area.

This gift would be an extra blessing at Christmas and their time together will be made more joyful and memorable when they have fresh, warm food in their clean hands.

**\$ 30.00 Christmas Bundle.**

## The Gospel to the Lost.

This gift provides Bibles and other Christian materials to the children free of charge. Pastors and AWANA programs will get training and support to reach out to others through community programs.

Most of the people we assist are extremely poor. They desire God's word, but they must often choose between food for the body and food for the soul. This gift provides them with both.

**\$ 10-500 Evangelism**

# GIFTS THAT MAKE A DIFFERENCE!

We are thrilled to bring you our **Star of Hope Christmas Giving Guide**. Together with your help, we can impact lives in Haiti, Romania, Argentina, and many other countries. Throughout the year we work with local people groups and identify current needs in our projects. Your "Where most needed" donation goes to purchase real gifts - from goats to food and everything in-between. I have seen with my own eyes the positive impact generous giving has on the families and communities we serve.

When Star of Hope teams deliver these life changing gifts, we personally witness the hope and gratitude in the eyes of the receivers. I am bold enough to say that together we can create real change in the lives of children, families, and communities through your generous contributions.

Blessings to you, and wishing you and yours a beautiful holiday season.
