Faith in Action!

For over 50 years, Star of Hope has helped countless children break their chains of poverty and learn about our Faithful God who loves them.

We have come alongside children from the slums who are now doctors, seamstresses, lawyers, teachers, pastors, bakers, electricians, politicians, and more.

How?

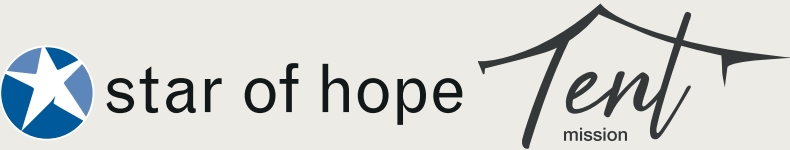

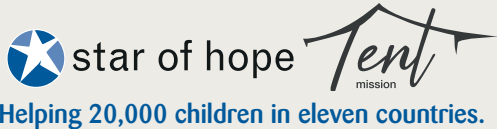

We are big enough to make a change and small enough to not get stuck in bureaucracy. We are smart enough to have our HQ in a basement, not a high rise. Our project managers are local, native people who love children, have joy in their hearts, and a love for God. We personally know the people in charge in each country, and they, in turn, know every child personally. We train and support them so they can change their own nations.

Together with You, we give the kids something that nobody can ever take away from them, education and a firm introduction to the Gospel of Jesus Christ.

Be a Christmas blessing

PS. Send a Card

If you desire to purchase an item for a loved one, a Christmas card can be sent to the person you choose, indicating you have given a gift in their name. Please contact us at info@starofhope.us or call # 620 564 3355 with the details of your gift.

Lets do it again!

Spread Hope and Light

Give the best Christmas gift of all, one that puts a smile on a child's face. Gifts at Christmas remind them that they are not alone. Hope is renewed, and joy wells up when they know that people like you still care.

Bless others and be blessed by the knowledge that YOU made a difference.

BIBLES

Bibles

\$10

Bibles build a firm foundation. Make God's word available to a family by giving them their own Bible.

CHRISTMAS BASKET

Christmas basket

\$50

Send rice, cooking oil, canned fish, beans, powdered milk, sugar, soap, gifts, and more.

This box provides hope to a parent taking care of their family in an impoverished area. Christmas time will be more joyful and memorable when fresh, warm food is in their bellies.

Goats

\$75

Goats provide milk and money. Besides being undeniably cute, goats are counted as one of the most valuable things a family can own.

The Billy goats are sold during times of crisis while the Nannies produce nutritious milk and more goats to "Pay It Forward."

Chickens

\$25

Hens provide eggs, and roosters provide meat for hungry families.

Chickens are in the "Pay it Forward" program. Families experience the joy of giving to their community by sending eggs to the schools for lunch.

Seeds

\$35

Seeds to build an independent future. The newly established "Tool Libraries" need crop seeds for the families to plant. Many families have been so hungry that they have eaten their own seeds, thus having nothing to plant.
