GOOD SEED, GOOD SOIL, GOOD FRUIT

Liliana and her family live in Dimacheni, Romania. Without a compassionate contribution from Star of Hope resources, this family would not be self sufficient. Vegetable seeds, grape vines and tools were provided. From that, the entire family is enjoying their first harvest, a plethora of produce! They exclaim that they "have never had such a garden in their entire lives". The corn, grapes, and watermelons are plentiful and luscious. It takes the whole family to work the land and tend the garden, whose produce benefits hungry neighbors as well.

The five goats, given as a Christmas gift, are multiplying. They have produced milk and cheese to meet the dietary needs of the children. The Pay It Forward program ensures that other families will benefit from the offspring. Within a few years, both garden and livestock will replenish, reproduce and feed the entire village. This is an excellent example of literally planting a financial seed into this Star of Hope soil and seeing the fruit of your kindness.

I saw what we together can do through a Christmas Blessing. Please join us this Christmas season and change people's lives.
 God bless you always.
 Kay E. Metsger R.N.
 Star of Hope Board Director

CHRISTMAS GIVING GUIDE

CHRISTMAS GIVING GUIDE

We are thrilled to bring you our Star of Hope Christmas Giving Guide. By participating in this "Pay it Forward" gift program you can be a STAR of Hope and give children and families a bright future. Together with your help, we can impact lives in Romania, Haiti, Argentina and Trinidad.

Throughout the year we work with local people groups and identify needs through our projects. Your donation goes to purchase real gifts, from goats to books and everything in between. I have seen with my own eyes the positive impact your generous giving has had on the families and communities we serve.

I had the privilege to travel to Haiti this year. There I met children and families, who are blessed to be recipients of Star of Hope's support, thanks to donors like you. It is a blessing that the education programs and the "pay it forward" program, are helping and will continue to give meaning and change lives now, and in the future.

When our Star of Hope team delivers these life changing gifts to children and families, we personally witness the hope and gratitude in their eyes. I am bold enough to say that together we can create real change in the lives of children, families and communities through your generous contributions. Thank you for giving hope, prosperity and a future to so many in need.

Blessings to you and wishing you and yours a beautiful holiday season.

ABOUT THE PROJECT "PAY IT FORWARD"

"Pay It Forward" started in 2009 to help families who lost vital livestock when four consecutive hurricanes crippled Haiti. The project is to distribute chickens and goats to the children in the Star of Hope project through a free raffle where everyone has the same chance of winning. No one can win more than once, and each winner must promise to give away the animal's first kid to another needy family. In that manner the project continues to Pay it Forward. The same is now done in Romania
